A little about the Patriot House

We are truly delighted to welcome you, your family, and friends to our modest abode, which we proudly call the Patriot House. The name holds special significance for several reasons. When we first saw the exterior, the patriotic colors instantly came to mind. Our local high school, Heritage Hills, is known as the Patriots. The house seemed to choose its own name, as I struggled to think of anything else. Ultimately, we realized that it is a wonderful opportunity to celebrate the freedom we enjoy as citizens and to host fellow Americans in our Patriot House.

Patriotism is defined as the feeling of love, devotion, and attachment to one's country or state.

House Rules

- Simplicity is key. At the Patriot House, we've maintained a straightforward approach, so **just treat it as you would your mother's home.**
- Welcome to 2025, everyone! **Smoking?** Absolutely not, **please take it outside!**
- Our neighbors appreciate us because we respect their space. Therefore, please keep the **festivities indoors after 10 PM.**
- If anything needs attention or if you have questions, **communicate openly** and respectfully.

The Millers

- Noah is a full time FF/EMT
